Re: Grant #2442

Dear Dr. Broker:

The Scientific Director and CTR's scientific staff have discussed your request for partial support of the UCLA Symposium *"Papilloma Viruses"* to be held inTaos, NM from March 11-15, 1989.

The program contains many topics of interest to The Council, and the list of speakers ensures us that the quality of the meeting will be high. I therefore am pleased to tell you that we will make a contribution of $2,500.00 (the maximum amount we allocate for the support of a meeting) to help defray the costs of the conference. Sometime after November (the beginning of our 1989 fiscal year), we will send you a check for that amount.

We request only that these funds not be used to reimburse expenses incurred by participants from the industrial sector. We also would very much appreciate it if the organizers would hold open one registration slot for attendance by a representative from this organization.

Sincerely,

Harmon C. McAllister
